MINUTES OF TOWN MEETING

MARCH 2, 1976

At 10:00 a.m. Moderator Everett B. Sackett opened the meeting by reading the first three Articles of the Warrant. Mr. Boyd moved that the polls close at 7:00 p.m. This motion was seconded and the motion was carried by a voice vote (unanimous). Mr. Boyd moved that after the results of the day's voting are announced, the meeting stand adjourned until 10:00 a.m. Saturday, March 6, 1976 in the assembly hall of the Mast Way School. This motion was seconded, and was carried by a voice vote. Moderator Sackett then declared the polls to be open.

There were three hundred sixty-five (365) ballots cast and the results were as follows:

Article 1. (Town Officers)

Selectman for three years

Jerome Canney, Jr.	61 Votes
*Shirley M. Clark	234 Votes
Mary H. Ennis	40 Votes
Charles A. Poulin	22 Votes

Selectman for two years

*Karen Curtis	269 Votes
Maurice James Tandy	92 Votes

Tax Collector for three years

*Penelope A. Allen (un-opposed)	336 Votes
------------------------------------	-----------

Treasurer for one year

(to fill the unexpired term of
Alice E. Dudley, resigned)

*Chesley F. Durgin Jr.	147 Votes
Meridel N. McCabe	86 Votes
Alma Jean Nugent	121 Votes

Town Clerk for two years

(to fill the unexpired term of

Ethel H. Hinds, resigned)

*Joseph F. Issa Sr.

348 Votes

(un-opposed)

*Declared Elected.

On the proposed changes to the Zoning Ordinance and Building Code Regulations ballot, the results were as follows:

1. Are you in favor of amending Article 1 Zone B of the Lee Zoning Ordinance as proposed by the Lee Planning Board to read as follows:
(*Recreational Zone*) shall comprise all territory around Wheelwright Pond (or Lake) to a distance of two hundred (200) feet from the shoreline.
Yes 222 votes: No 122 votes: This amendment was Adopted.
2. Are you in favor of amending Article 5 Zone B, Item C, of the Lee Zoning Ordinance as proposed by the Planning Board, to read as follows:
All lots used for year-round residential structures shall conform to the lot requirements for Zone A.
Yes 218 votes: No 110 votes: This amendment was Adopted.
3. Are you in favor of amending Article 8, Item C, of the Lee Zoning Ordinance as proposed by the Planning Board, to read as follows:
No industrial business, or recreational building, or establishment, shall be permitted in Zone A or B, except on a site approved by the Planning Board. Such establishment may be authorized by the Board of Adjustment as a special exception upon proving, at public hearing, that it will not be detrimental (i.e. hazardous, injurious, etc.) to adjacent landowners.
Yes 118 votes: No 225 votes: This amendment was defeated.

4. Are you in favor of amending Article 1, Zone C, of the Lee Zoning Ordinances, as proposed by the Planning Board, to read as follows:

(Commercial and Industrial Zone) shall comprise that area North and South of route 4 as outlined below, and as shown on the Official Zoning Map. Starting at the junction of routes 4 and 125 running East for 1,000 feet along route 4, and then North parallel to route 125 to the Lee-Barrington town line. Thence running West of the junction of Routes 4 and 125 to the Lee-Barrington town line, and then running in a Northerly direction following the Lee-Barrington town line to route 125. Also running South of the junction of routes 125 and 4 to the Lee-Epping town line, and extending 1,000 feet to the East and West of route 125 right-of-way, excluding Zone B.

Yes 110 votes: No 226 votes. This amendment was defeated.

5. Are you in favor of amending Article 6 Zone C, of the Lee Zoning Ordinance, as proposed by the Planning Board to read as follows:

Article 6, Zone C, Commercial and Industrial Zone.

A. (Remains the same)

1. (Remains the same)

2. Any Industrial or Commercial businesses.

B. (Remains the same).

1. No buildings or parking areas except residential structures, shall be permitted within 50 feet of any right-of-way. This 50 feet is to be used for landscaping, except entrances and exits.

2. Rear and sides of any building shall not be less than 25 feet from the rear and side lot lines and 200 feet when rear or side lot lines adjoin a residential lot.

C. All commercial buildings constructed in this Zone shall have a Site Plan, including entrances

and exits, approved by the Planning Board, whether or not a sub-division is involved.

Yes 200 votes: No 129 votes: This amendment was adopted.

6. Are you in favor of the Town adopting the provisions of R.S.A. 36:19-a which allows the Planning Board to review site plans for the development of tracts for non-residential use whether or not such development includes a sub-division or re-subdivision of the site. Recommended by the Planning Board.

Yes 213 votes: No 116 votes. These provisions were adopted.

7. Are you in favor of amending the Lee Building Regulation Ordinances as proposed by the Lee Planning Board to read as follows:

Section 5 paragraph 2. No person, firm or corporation shall be issued a building permit requiring the installation of a Septic Tank System until an "Application For Septic Tank Permit" has been filed with, and the design for such a system approved by the Building Inspector.

Section 5 paragraph m-5. Construction of the Septic Tank System must be inspected by the Building Inspector before covering.

Section 5 paragraph m-6. Approval by the Building Inspector shall not be construed as a guarantee that the system will function to the full satisfaction of the applicant and that the town shall in No way be liable if the system does not function.

Yes 224 votes: No 101 votes. This amendment was adopted.

On the "Advisory Preference Vote For School Board Member From Town Of Lee" ballot, the results were as follows: Betsy Booth received 206 votes: Lorraine St. Jean received 89 votes; Sherry Pattison received 35 votes. There were thirty-five ballots either pro-

testing this vote, or left blank, or contained personal comments or opinions pertaining to this action. This was NOT an official ballot for the school board member. It was a "Straw Vote" (*see letter following) to determine Lee's preference ONLY; and was so stated on the ballot. The action stated above was taken as a result of a letter received by the Board of Selectmen, a copy of which is attached to this report.

After announcing the results of all the balloting, Moderator Everett B. Sackett adjourned the meeting at 8:55 p.m., to be re-convened on Saturday, March 6, 1976, at 10:00 a.m. at the Assembly Hall of the Mast Way School.

There was a request for a re-count of the ballots for the office of Treasurer. An immediate re-count was conducted, with a number of observers present, and the results were as follows: Chesley F. Durgin, Jr. received 148 votes. Meridel N. McCabe received 86 votes and Alma Jean Nugent received 120 votes. Chesley F. Durgin Jr. being declared elected. The Oath of Office was administered by the Moderator, Everett B. Sackett, to the following elected officers. Karen Curtis, Selectman for 2 years; Penelope A. Allen, Tax Collector for 3 years; Joseph F. Issa Sr., Town Clerk for 2 years; Francis A. Walden, Trustee of Trust Funds, for 3 years; Aaron W. Chadbourn and Jean D. Ouellette, Auditors for 1 year.

On March 3, 1976 *Shirley M. Clark* was sworn in to office as Selectman for 3 years by Moderator Sackett.

On March 3, 1976, *Chesley F. Durgin Jr.* was sworn in to office as Treasurer for 1 year by Joseph F. Issa, town Clerk of Lee.

***SUPERVISORY UNION NO. 56**

414 High Street

Somersworth, N.H. 03878

February 5, 1976

Board of Selectmen
Town of Lee
New Hampshire

Gentlemen:

In accordance with the decision reached at last year's annual school district meeting, the Oyster River Cooperative School District must post the results of advisory preference votes when taken at the respective town meetings of the pre-existing districts. Such preference votes may be taken in the election of school board members from the pre-existing districts with the candidate, of course, being a resident of the pre-existing district.

Should such a vote be taken at your town meeting, would you please furnish us with the results as soon as possible following the meeting? Thank you.

If you have any questions, contact me.

Very truly yours,

JOHN H. POWERS

Superintendent of Schools

Article 4 \$164,665.00 To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town Charges, for the ensuing year, for general government. Mrs. Clark moved that the Town vote to raise and appropriate the sum of \$171,230 to defray town charges. Mrs. Curtis seconded the motion. At this time a motion was made by Mrs. St. Jean that each item in this Article be acted upon separately. After some discussion Moderator Sackett ruled that each item be considered separately, to be followed by a vote on the original motion.

\$8,000.00 Town Officers' Salaries. Approved.

\$6,000.00 Town Officers' Expenses. Approved.

\$3,500.00 Election & Registration. Approved.

\$3,500.00 Town Buildings Expenses. Approved.

\$3,000.00 Employees' Retirement & Social Security.
Approved.

\$ 525.00 Building Inspector's Salary. There was a good deal of discussion regarding the Building Inspector's Salary. Some felt that there should be none. Mrs. Clark suggested it would be wise to continue the Salary, as it could be difficult to find someone to fill the job if he received only half the Permit Fees, as often more Permits were turned down than were issued. Mr. Cathcart moved to amend the item to read as follows: It is moved to amend to change the amount of \$1,200. (original motion) for the Building Inspector's Salary & Fees to read \$525.00 Building Inspector's Salary plus ½ of all Fees. Mr. Jenkins seconded the motion and the amendment was adopted.

\$ 675.00 Mrs. Clark suggested that the Town vote to authorize the Selectmen to expend this amount as an estimated amount of ½ the Building Permit Fees. This motion was approved.

\$26,000.00 Police Department. Mr. Dodge moved to Amend Article 4 so that the appropriation for the

Police Department would total \$26,000.00. There was a considerable amount of discussion on this item. Mr. Ford of the Advisory Budget Committee explained why the Budget Committee had recommended \$22,000. rather than \$26,000. as originally requested by the Police Department. Chief Burke explained that the \$4,000. in question would go basically, into the budget for Special Police, in order to increase coverage of the Town. Following further discussion, a Ballot Vote was requested by the following five persons. Lorraine St. Jean, Jerome Canney, Janet Shafer, Joe Shafer, and Daniel St. Jean. 182 Ballots were cast and the amendment to increase the appropriation from \$22,000.00 to \$26,000.00 was adopted by a vote of, YES, 133; NO, 49.

\$9,450.00 Fire Department. Mrs. St. Jean asked when our Volunteer Firemen had started receiving Salaries. Mr. Hatch explained the various reasons for this having been put in two years ago as a separate line item, and being approved without a single dissenting vote. Mrs. St. Jean moved to Amend that the Fire Department Budget be reduced to \$8,450.00. Motion seconded by Mr. St. Jean. A Ballot Vote on the Motion to Amend was requested by the following persons. Robert Emerson, Benjamin Durgin, Maurice Tandy, Daniel St. Jean, and Lorraine St. Jean. The results of the voting were YES, 20; NO, 143. The motion to amend was defeated.

\$ 50.00 Conservation Commission. Approved.

\$ 6,500.00 Insurance. Approved

\$ 800.00 Planning & Zoning. Approved.

\$ 1,500.00 Legal Expenses. Approved

\$ 200.00 Health Officer's Salary. Approved.

\$ 30.00 Vital Statistics. Approved.

\$ 3,000.00 Town Dump. (Mr. Keniston explained that \$3,000.00 in Revenue Sharing would off-set this amount).

Approved.

\$21,000.00 Town Highway Department. Approved.
\$ 5,400.00 Highway Department (General Expenses).
Approved.
\$ 4,200.00 Library. Approved after a short discussion.
\$ 1,000.00 Town Poor. Approved.
\$ 1,500.00 Old Age Assistance. Approved.
\$ 500.00 Recreation. Approved.
\$ 3,500.00 Cemeteries. There was some discussion regarding Trust Funds and how many Non-Perpetual Care graves that the Town was caring for. Mrs. Boyd gave an explanation of the Trust Funds and their responsibilities. It was estimated that about 50% of the graves did not have Perpetual Care but were being cared for by the Town.
\$ 1,000.00 Dog Care & Salary. Approved.
\$ 3,000.00 Interest on Temporary Loans. Approved.
\$50,000.00 County Tax. Approved.
\$ 1,500.00 Library (Paint & Shingles). Approved.
The Original Motion to Raise and Appropriate \$175,230.00 for General Government was moved by Mrs. St. Jean. Motion was approved.

Meeting recessed for lunch.

After lunch, Mrs. Clark moved re-consideration of Article 4. Seconded by Mrs. Curtis. It was noted that there was an error in addition and a Motion was made to change the amount for Article 4 from \$175,230.00 to \$165,330.00. This motion was adopted.

Article 5 \$5,000.00 Fire Department. (Capital Reserve). Mrs. Curtis moved and Mr. Keniston seconded the Article as read. An amendment by Mr. Tandy to change the words "the sum of five thousand dollars" to read "The sum of Two Thousand Five Hundred" was defeated. The motion for \$5,000.00 was adopted.

Article 6 \$10,000.00 Dump. (Capital Reserve for meeting expenses attendant with R.S.A. 128:78-95 ban-

ning open-dump burning). Mrs. Clark moved and Mr. Keniston seconded the Article as read. A motion by Mr. St. Jean to table the Article was defeated. The original motion for the sum of \$10,000.00 was passed.

Article 7 \$619.10 Class V Highways. (TRA). Town to appropriate \$619.10 and the State to contribute \$4,127.35; Mrs. Curtis moved and Mrs. St. Jean seconded the article as read. Motion to raise and appropriate \$619.10 was adopted.

Article 8 \$30,000.00 Snell Road Bridge. Mrs. Clark moved and Mr. Keniston seconded the Article as read. Mr. Clark explained that our road agent could re-build the bridge for much less money than the State. Mr. Jenkins moved to amend the Article to raise the sum of \$10,900.00. The Town to raise \$3,000.00 and remainder to come from gas tax returns. This motion to amend was defeated. The original motion to raise \$30,000.00 was adopted.

Article 9 \$1,350.00 Strafford Regional Planning Commission, Mr. Chadbourn moved, and Mrs. Curtis seconded the Article as read. Mr. Chadbourn and Mrs. Jennings explained some of the work that this group have been doing in the way of booklets, maps, etc. Motion was adopted.

Article 10 A motion was made (written but not signed, and also oral motions), that article 10 be considered after all Articles except Article 36. This motion was seconded by several voices. This motion was adopted.

Article 11 \$250.00 Solid Waste Disposal Committee Expenses. Approved.

Article 12 Approved.

Article 13 Mr. Jones moved and Mrs. Clark seconded the motion. Mr. Gibb spoke to the motion, explaining that they had one bid for door-to-door pick up of garbage at a cost of \$36,100.00. A motion at this time to table the article was defeated. Mr. Weyrick made a motion to amend the article to add the words "As a planning concept", and the motion was seconded. A motion to move the question was passed. The article was defeated by a show of hands; YES 36: NO 82.

Article 14 \$2,000.00 Voluntary Re-Cycling Operation. (Purchase of Steel Bins). This Article was passed.

Article 15 \$5,000.00 Planning (Solid Waste Disposal Facility). Mr. Jones moved the article with a change to read "To see if the Town will vote to raise and appropriate" . . . Motion was seconded by Mr. Valentine. A motion to table was defeated. This article was adopted.

Article 16 Adopted.

Article 17 Adopted.

Article 18 \$4,045.00 New Police Cruiser. Chief Burke moved and Mr. Reinhold seconded the Article. Mr. Burke explained the choice for a new cruiser and the reasons. He also discussed some of the problems with the present cruisers, and stated the fact that Revenue Sharing will be used to purchase the new cruiser. Article adopted.

Article 19 Mr. Keniston moved, and Mr. Reinhold seconded the Article as read. Chief Burke opposed the Article, explaining that he planned to use the equipment from the old cruiser, and explaining that he wished to mark the new cruiser and leave the back-up cruiser unmarked. There followed a discussion on unmarked cars and where they could or could not go, and

on the uses that Chief Burke wished to put the unmarked cruiser. (Investigations etc.). An ammendment to see if the Town will vote to equip both police cars with lights was defeated. Mr. Tandy moved the question. Article 19 was defeated.

Article 20 \$11,000 for a second full time Police Officer. Mr. Jenkins moved that the Town postpone Article 20 indefinitely. Chief Burke seconded the motion. The motion for postponement was passed.

Article 21 Use of old Fire Station by Police. Chief Burke moved and Mrs. Wellington seconded the motion. This motion was passed.

Article 22 \$1,000.00 Renovation of old Fire Station for use as Police Station. Chief Burke moved that the Town raise and appropriate \$1,000. for the re-modeling of the old Fire Station the rest to come from the Crime Commission. Motion seconded by Mr. MacLean. After some discussion the motion was passed.

Article 23 Designate and maintain as a Scenic Road, Steppingstone Road from Route 155 to the Barrington Town Line. Mrs. Brown moved and Mr. Howarth seconded. This Article was passed as read.

Article 24 \$3,000.00 To see if the Town will vote to raise and appropriate the sum of \$5,000. for the Town of Lee's Bi-Centennial Celebration. Mrs. Jenkins moved and Mrs. Clark seconded the motion. Some discussion followed Mrs. Jenkins' reading of the plans for the Celebration. The question was moved and a vote was taken. The result was YES 57, NO 50. At this point a ballot vote was requested by the following: Lorraine St. Jean, Benjamin C. Durgin, Jerome Canney Jr, M. J. Tandy, Joe C. Shafer, Nancy J. Tandy, and Paul Bishop. The result of the ballot vote was YES 62; NO 74. The Article was defeated. Mr. Tandy moved to

reconsider the question and was seconded by Mr. Reinhold. Mr. Tandy moved to see if the Town will vote to raise and appropriate the sum of \$3,000. for the Bi-Centennial Celebration and was seconded by Mrs. Curtis. This motion was passed.

Article 25 To delete the Gross Valuations from the Town Report after 1975. Mrs. Clark moved and Mrs. Curtis seconded. After a short discussion a vote was taken and the Article was defeated.

Article 26 To see if the Town will vote to adopt the provisions of the Municipal Budget Law (RSA 32). Mr. Ford moved that the Lee Advisory Budget Committee be authorized to serve on a continuing basis until the end of 1977. All six positions to be filled then by vote. Mr. Jenkins seconded the motion. There followed a discussion pertaining to the Advisory Budget Committee and the Municipal Budget Law. A vote on the Article as presented in the Warrant resulted in the Article being defeated. Mr. Ford's motion to continue the Advisory Budget Committee was passed.

Article 27 \$1,500. Conservation Commission: Mrs. Brown moved and Mr. Chadbourn seconded the motion. Mrs. Brown explained that the Conservation Commission wished to build up its funds for possible future use. The Article was passed as read.

Article 28 \$750.00 Oyster River Home Health Association. Mr. Tandy moved and the motion was seconded. This Article was passed as read.

Article 29 \$900.00 Durham Youth Association. Mr. Howarth moved that the Article be accepted with the following change: Substitute the words "Oyster River Youth Association" for the words "Durham Youth Association". Mr. Estes seconded the motion. There followed a discussion as to how many children from

Lee used this program. The figures for last year were: total 553 children, with 185 of these coming from Lee. the merits of this program were also discussed. At this time an amendment was submitted by Daniel St. Jean that the amount of \$900 be increased to \$5,400 and be dispersed in the following manner: Oyster River Youth Association, \$900; Lee Boy Scout Troop, \$900; Lee Girl Scout Troop, \$900; Lee 4-H Club, \$900; Lee Sno - Travelers, \$900; and Lee Grange, \$900. This amendment was defeated. The original Article with the amended word change and the \$900 figure was adopted.

Article 30 \$1,100 Durham Ambulance Corps. Mr. Keniston moved and Mr. Canney seconded. This Article was adopted.

Article 31 Article 31 was approved as presented in the warrant.

Article 32 Mr. Keniston moved and Mrs. Curtis seconded this Article. The Article was adopted as presented in the Warrant.

Article 33 Authority for Selectmen to borrow money in anticipation of Taxes. Mr. Canney moved and Mr. Bradshaw seconded. Article was adopted as presented in the Warrant.

Article 34 Acceptance of a parcel of land in the James Farm Development. Mrs. Brown gave an explanation as to location of the land and its size. After some discussion, a motion to table the Article was introduced. This motion was defeated. Mrs. Clark moved the question and Mrs. Curtis seconded. This Article was adopted as presented in the Warrant.

Article 35 To see if the Town will vote to raise and appropriate the sum of \$50 for the Seacoast Regional Development Association. Mr. Keniston moved the

Article and Mr. Jenkins seconded. A motion to table this article was made and seconded. The motion to table was approved.

Article 10 To see if the Town will vote to authorize withdrawal from Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budget appropriations in the amounts indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts, if estimated entitlements are reduced, or take any other action hereon:

Appropriation	Amount
Library Repairs	\$1,500
Library Expenses	1,685
Police Cruiser	4,045
Town Dump	3,000

Mrs. Clark explained that there was still \$505 in Revenue Sharing Money to be spent. Chief Burke moved that it be used to defray the expenses of the Town Dump. Mr. Canney seconded the motion. The motion was passed.

Article 36 To transact any other business which may come legally before this meeting. Moderator Sackett explained that any business or action taken under this Article had no course of law. It is merely an expression of opinion. Mr. Dennis made a resolution to find out how people feel about returning to Wednesday night meeting, rather than Saturday. This was seconded by Brian Burke. A vote to see how many were in favor of Wednesday night showed that a majority were in favor. Mr. Tandy made a resolution that future Town Meetings be opened with a prayer and a Pledge of Allegiance to the Flag. Mrs. Sanborn seconded. A vote on this resolution showed that a majority were in

favor. A motion was then entertained to adjourn the meeting, seconded by several voices and the Moderator declared the Meeting adjourned.

Respectfully submitted,

JOSEPH F. ISSA
Town Clerk - Lee

MINUTES OF SPECIAL TOWN MEETING

NOVEMBER 17, 1976

Town Moderator Everett Sackett opened the Special Town Meeting, held on November 17, 1976, by reading the two articles in the Warrant. He mentioned the meeting was authorized by the Superior Court.

Dick Weyrick, of the Solid Waste Committee, told of various activities of the Committee over the past year, including setting up dumpsters at the Town Dump and investigating various other alternatives, including their recommendations.

Article 1: That the town vote to authorize the Board of Selectmen to act as Trustees or Agents of the Town to receive from the Trustees of Trust Funds, pursuant to RSA 35:3 & 15, all monies heretofore raised and appropriated and deposited with the Trustees of Trust Funds as a Capital Reserve for meeting expenses attendant with RSA 125:78 & ff.

William Jones moved and Dick Weyrick seconded the motion.

Selectman Curtis explained that this would give the Selectmen the authority to sign vouchers for the bills and would not in any way eliminate the Solid Waste Committee.

Selectman Clark explained the RSA's involved — that they pertain to monies deposited in Trust Funds and to the ban on open dump burning.

Following a discussion and finally deciding that there was between \$63,000 and \$65,000 in the Trust Fund, Mr. Sackett called for a hand vote.

Motion is passed.

Article 2: That the town vote to authorize the trustees or agents of the town approved under the preceding article to expend the monies to be received from the trustees of Trust Funds for establishing a solid waste disposal facility at the present dump site for the purpose of complying with all requirements of RSA 125:78 and ff. and other applicable Federal and State statutes, laws, regulations, orders and provisions relating to elimination or banning of open dump burning in and by the Town of Lee: (a) the facility shall include a building for the separation and storage of recoverable materials and an approved incinerator for burning of non-recoverable materials; (b) the amount authorized for expenditure shall not exceed the capital reserve in trust and the total cost of such facility shall not exceed \$131,572; (c) the materials for disposal at the facility shall be delivered in separated categories of: (1) recoverable materials including cans, glass and clean newsprint, and metal objects; (2) materials acceptable for incineration; (3) other materials.

William Jones moved and Dick Weyrick seconded this motion.

Mr. Weyrick went into some detail giving a breakdown in expenses, explaining the layout of the proposed building and the committee's recommendations and findings.

Mr. Bishop had some figures of his own and felt the committee should check further into going in with Durham.

Mr. Hatch wondered about the type of building material and also, if some money couldn't be saved by avoiding ledge removal.

Mr. Cathcart inquired about the estimated tonnage that would have to be incinerated.

Mr. Crombie explained why he felt we would be better off to be regionalized.

There was further discussion about cost and perhaps waiting until March to make a decision, in the meantime continuing as we are now.

The Committee members explained that they needed the extra time in order to get a down deposit on an incinerator and ask for bids on the building, rather than take a chance on not being able to meet the July 1, 1977 deadline.

Mr. Sackett asked for a ballot vote.

The motion is passed, 81 to 28.

109 Total Votes were cast.

The Moderator then entertained a motion to adjourn. Motion was made and seconded. The meeting adjourned at 9:15 p.m.

Respectfully submitted,

JOSEPH F. ISSA
Town Clerk

PROCEDURE FOR LEE TOWN MEETINGS

1. Everyone should help to make the meeting business-like. Some voters stay away because of the long and pointless discussions.
2. Speakers should decide beforehand what they want to say, so that they can be brief and convincing.
3. Before talking, speakers are to give their names.
4. Roberts' Rules of Order will be observed to the extent applicable.
5. If a voter wants to make his support of a motion known, but has no new fact or argument to present, he should state his position and then sit down.
6. Speakers will be allowed to talk only once on each motion, unless there is a good reason to speak a second time.
7. No motion to table will be accepted until there has been a reasonable opportunity for discussion.
8. No motion to end debate (move the previous question) will be accepted until there has been reasonable opportunity for discussion.
9. Motions to reconsider are discouraged and will not be accepted if a number of those who voted on the article have left.
10. Questions should be addressed to the moderator, who will call on a suitable person for an answer.
11. Amendments offered must be written out and handed to the moderator.
12. Parliamentary rulings by the moderator can be overturned by a majority vote on those present.
13. Questions of law will be decided by the moderator in consultation with other officials. They are not subject to change by the voters at the meeting.

EVERETT B. SACKETT *Moderator*

**TOWN OF LEE
TOWN WARRANT**

STATE OF NEWHAMPSHIRE

To the inhabitants of the Town of Lee, County of Strafford, State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Lee Town Hall on Tuesday, the eighth day of March, 1977, to act on the following subjects:

(Polls will be open from 10:00 a.m. to 7:00 p.m.)

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will vote the changes in the Zoning Ordinances as proposed by the Lee Planning Board.
3. To see if the Town will vote to adopt the provisions of R.S.A. 72: 43-b and 43-c for granting exemptions on real estate for residents sixty-five years of age or over.
4. To see if the Town will vote to combine the office of Tax Collector with the office of Town Clerk.

Article 5 through 33 will be taken up at the
Mastway School on Wednesday, the ninth day of
March, 1977, at 7:30 p.m.

5. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year for General Government including: Town Officers' salaries and expenses, election and registration, Town Buildings' expenses, employees' retirement

and social security, Building Inspector's salary and fees, Police Department, Fire Department, Conservation Commission, Insurance, Planning and Zoning, Legal Expenses, Health and Vital Statistics, Town Dump, Town Highway Department, General Expenses of Highway Department, Public Library, Public Welfare of Town Poor and Old Age Assistance, Recreation, Cemeteries, Dog Care and Salary, Advertising, Debt Service of Interest on Temporary Loans, Town Reports, Contingency Fund, and County Tax.

6. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be deposited with the Trustees of the Trust Funds as Capital Reserve for Fire Department Equipment.
7. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) to install rest rooms in the new fire station.
8. To see if the Town will vote to deposit the funds, ten thousand three hundred thirty-two dollars and twenty-six cents (\$10,332.26) left over from the reconstruction of the Snell Road Bridge with the Trustees of the Trust Funds as Capital Reserve for Highway Department Equipment.
9. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be deposited with the Trustees of the Trust Funds as Capital Reserve for meeting expenses attendant with R.S.A. 125:78 & ff. banning open-dump burning.
10. To see if the Town will authorize the Selectmen to cooperate fully with the town of Durham and its neighboring towns and the University of New

Hampshire in a feasibility study of a regional solid waste disposal program that includes incineration facilities in Durham and resource recovery of materials and energy, and to see if the Town will raise and appropriate the sum of two thousand dollars (\$2,000.00) as its share of the study. Total cost of the study is estimated to be \$20,000.00, and a report is to be completed with recommendations for further action by the participating towns at their 1978 Town Meetings, or at earlier Special Town Meetings.

11. To see what sum of money the Town will vote to raise and appropriate to be used for and in connection with the Town's compliance with R.S.A. 125: 78 & ff.
12. To see if the Town will vote to raise and appropriate the sum of five hundred eighty-two dollars and forty-eight cents (\$582.48) for construction of Class V Highways under the provision of TRA, so called. (The State will contribute the sum of three thousand eight hundred eighty-three dollars and twenty-two cents [\$3,883.22]).
13. To see if the Town will vote to authorize withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amount indicated; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

18. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50.00) for the Seacoast Regional Development Association.
19. To see if the Town wishes the Planning Board to include the regulation of campgrounds and gravel pits under R.S.A. 36:19-a.
20. To see what sum of money the Town will vote to raise and appropriate for reassessing the Town and purchasing property tax maps. (State law requires property tax maps by 1980.)
21. To see if the Town will vote to reopen High Road to the Epping line. (By petition of Carol Parks and nine or more other registered voters of the Town of Lee.)
22. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) for the purchase of a new radar unit for the Lee

Police Department. (By petition of Brian Burke and nine or more other registered voters of the Town of Lee.)

23. To see what sum of money the Town will vote to raise and appropriate for the hiring of a second full time police officer for the Lee Police Department. (By petition of Brian Burke and nine or more other registered voters of the Town of Lee.)
24. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars and thirty-five cents (\$250.35) to pay the dues for Lee's membership in the New Hampshire Municipal Association for the year 1977. (By petition of Lorraine St. Jean and nine or more other registered voters of the Town of Lee.)
25. To see if the Town will vote to elect the members of the Planning Board in accordance with the provisions of R.S.A. 36:4, Paragraph II, subparagraph (b), (2) and (3). (By petition of George R. Nugent and nine or more other registered voters of the Town of Lee.)
26. To see what action the Town wishes to take regarding the acceptance of the old South Lee Railroad Building for a Town Museum, as a gift from the Lee Historical Society, with the Society managing said Museum and assuming financial responsibility for the building's maintenance for as long as the Society exists.
27. To see what sum of money the Town will raise and appropriate to purchase the John Gund property on Wednesday Hill for use as a recreation area, said property being 11.28 acres and listed in Strafford County Register of Deeds, Book 883, page 419.

(By petition of Robert G. LeBlanc and nine or more other registered voters of the Town of Lee.)

28. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) for the Conservation Commission.
29. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town monies, gifts, legacies, investments and services; and to accept any federal or state funds which may become available during 1977. Further, to see if the town will authorize the Selectmen to make application for said funds and then expend the same for the purpose designated within applicable federal or state regulation.
30. To see if the Town will authorize the Selectmen to sell property acquired through Tax Collector's Deeds and surplus equipment at Public Auction, and after being offered at Public Auction, to sell remaining property at Private Sale.
31. To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes.
32. To see if the Town will vote to accept as Ordinances the regulations put into effect by the Selectmen (see index) pertaining to Racetracks, Parking, and the Town Dump.
33. To transact any other business which may legally come before this meeting.

Given under our hands and seal the eighth day of
February in the year of our Lord, nineteen hundred
seventy-seven.

REPORT OF THE LIBRARIAN

Driving by the Town of Lee Library, I know it looks small, but inside there are a lot of services available. Being affiliated with the new Hampshire State Library means I can borrow either from or through them, most books requested by you, that we don't have. I can also borrow through Interlibrary Loan. This includes fiction, or non-fiction, for all ages, in all subjects, for pleasure or school assignments through college. Records and films can also be borrowed.

After three months of borrowing from the Lee Library, I can issue you a Statewide Library card. This enables the holder to borrow from any library in the State, which is affiliated with the Statewide Library Development Program.

As has been its custom, the library loaned more books this year than the previous year. The total circulation was 7,601 books, 137 magazines, 7 records, 37 jigsaw puzzles, 12 sewing patterns and approximately 20 films. 1,421 adults borrowed books and there were 1,209 children borrowers. The Bookmobile made 3 visits, leaving about 1,500 books each visit. 125 books were borrowed by patron request from the State Library, Interlibrary Loan or special request from the Bookmobile.

391 books were purchased and 220 given as gifts. The Library subscribes to seven magazines and received seven subscriptions as gifts.

Film showings were sponsored for the children of Mastway School during the winter and spring. Two film showings were held in the Library. The Little Red Wagon paid a visit that was well attended, and the Visual Arts Wagon of Caravan '76 was also here during the summer. The Sixth Annual Art Exhibit was

held during National Library Week. Several town committee and community groups held their meetings in the new room.

We wish to thank all donors of gift books, magazines, and jigsaw puzzles. We appreciate all the planning and hard work that went into making the library float a second prize winner in the Bi-Centennial Parade. Thank you to the Friends for their help during the year.

REPORT OF THE

LEE POLICE DEPARTMENT

The Town Meeting in March of 1976 voted to increase the coverage by special officers. Thus, at the present time there is an officer patrolling until 9:00 PM on Monday and Tuesday, 10:00 PM on Wednesday, 11:00 PM on Thursday and Sunday, and 2:00 AM on Friday and Saturday. An officer also patrols from 11:00 AM on Saturday and Sunday. The remainder of the time, special officers are available on a call out basis. The full-time man works Monday thru Friday 9:00 AM - 5:00 PM with call out from 5:00 AM to 9:00 AM. During the winter months the day man is on duty for the school crossing at 8:10 AM with the exception of Friday when it is necessary for him to be in court.

The Town also voted to purchase a new police cruiser in 1976. The Pontiac LeMans was purchased. The LeMans is an intermediate size vehicle and has proven to be quite ample for our needs. The vehicle went into service in July and at the time this report was written in February, 1977, the vehicle had 26,000+ miles on it. The LeMans replaced a 1970 Ford that had 225,000+ miles on it. Our back-up vehicle, a 1973 Plymouth station wagon, presently has 120,000 miles on it.

The police department covered a large volume of complaints. The complaints are broken down into four areas: Felonies, Misdemeanors, Violations, and General Service Complaints. The breakdown also covers actual physical arrests, warning check-ups of motor vehicles, and defective equipment tags.

Felonies:

Attempted Burglary	2
Bomb Threat	1
Burglary	14

There were 47 juvenile contacts that did not result in a physical arrest of the juvenile offender. The department placed additional juvenile offenders under what is termed a behavior contract. There are many cases where court deferment is preferable to either total release or court action. A contract system was developed allowing the juvenile to enter into an agreement to perform certain acts and not perform other acts. If the juvenile violates the contract, he admits to the original deviant behavior and allows the contract to be used against him in juvenile court. If the juvenile adheres to the contract for a certain predetermined period of time, then the case becomes closed with no court action. This system has created a viable alternative to court action and is working quite well.

During 1976 the department issued 335 traffic warnings, 110 defective equipment tags, and 224 check ups. The department also issued 20 gun permits.

The Rockingham/Strafford Manpower Administration funded a cadet during the summer months. The purpose of the cadet program is to expose a high school

student who expresses interest in police work to actual police work. The cadet is not armed and is under constant guidance from a police officer. Any time there is a high risk situation the cadet remains in the cruiser. The program also assists the police department in that the cadet can help at accidents directing traffic or helping with accident diagrams, etc. At General Service Complaints he or she can help collect information necessary for the report. The program allows young people to see the far less glamorous side of police work. Many police departments in the state hire cadets during the summer months. Dover has had some of their cadets become full time officers. On a state average more than 50% of the young people in the program go on to some phase of the criminal justice system. The program allows young people to see the police officer as a person and creates a better understanding between the police and youth. I would hope a program allowing young people and the police to become more understanding of each others roles would be continued.

The members of the police department wish to take this opportunity to thank the townspeople for their assistance throughout the year.

Respectfully submitted,

BRIAN BURKE
Chief of Police

REPORT OF

THE FIRE DEPARTMENT

The Fire Department experienced an increase in the number of calls to which it responded this year. Last year, the Department responded to thirty-five calls, this year the number was forty-three. The cause of the increase can be related to the increase in population and dwelling units. The breakdown of the calls follows:

STRUCTURAL	4
CHIMNEY	6
AUTO ACCIDENTS	7
SM. GRASS & BRUSH	4
DUMP UNAUTHORIZED	3
MUTUAL AID	7
MISCELLANEOUS	9
SMOKE INVESTIGATION	3

In looking back over last year's records, one of the increases is in chimney fires. It would be beneficial to both you and the fire department if the "wood burners" would check their chimneys for build up. One of the best ways to clean a chimney is to take a grain sack, place a few bricks inside it, tie a rope to the bag and run it up and down inside the chimney a few times. In addition to this method, there are some chemicals on the market designed to clean chimneys. Either method works well and helps to reduce the risk of chimney fire.

Despite the increase in the number of calls, monetary loss was relatively small. The loss of real property and personal property totalled \$4,850.00.

The Fire Department is grateful for the support that the town has given in the past years, and we are looking forward to the year to come.

Respectfully submitted,

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

ADVISORY BUDGET COMMITTEE

In completing its second year of operation, the Advisory Budget Committee continued to build on its recent mandate and to define its proper role as a new agency of town government. A total of fourteen regular meetings were held during the year, with Committee members interviewing a variety of representatives from town departments and outside agencies seeking town funds. On February 10 a public hearing on the proposed 1977 town budget was held at Town Hall to consider the Committee's recommendations and receive public input on federal revenue sharing allocations.

At the March 1976 town meeting voters endorsed a major change in the method of selecting Budget Committee members. Beginning in 1977, members of the Committee will be elected by official ballot at town meeting rather than appointed by the town moderator. The six at-large members will continue to serve staggered three-year terms and the moderator retains authority to make interim appointments when vacancies occur.

One membership change occurred during the year when Guy Angell declined reappointment and was replaced by Aaron Chadbourn. Robert Kensiton, Sr., served throughout the year as the Selectmen's representative on the Committee.

The Committee expanded its efforts to establish a sound budgetary process for the town. Stress has been placed on the holding of public hearings, careful examination of individual budget requests, and continued insistence on the accountability of town expenditures in all areas. The primary function of the Committee is not necessarily to curtail town expenditures, but rather to ensure that the budget is shaped within a framework of maximum information and accountability. In

the final analysis, it is the voters at town meeting who set the limits of annual spending. The Committee's task is to provide the public with the kinds of knowledge and analysis that will encourage decisions on the budget that are sound and in the best interests of the community.

REPORT OF THE PLANNING BOARD

The Lee Planning Board met 83 times during the past year (1976). Thirty-two of these sessions were public meetings. In addition the Board conducted 4 public hearings to discuss Zoning amendments and regulation changes. The Board held two public hearings on, and adopted Site Review Regulations for nonresidential land use under R.S.A. 36:19-a. The Board was granted the authority to formulate the regulations by a vote of the Town Meeting in 1976. There was a light but interested turnout at the hearings and some welcomed insight and constructive criticism resulted in revision and clarification of the regulations.

Eight subdivisions were presented for consideration to the Board resulting in three disapprovals (totaling 30 lots) and five approvals creating 27 new lots. These subdivision considerations involved fifteen site reviews and test pit inspections as well as eight public hearings and numerous meetings with the subdividers.

The proposed site of a New Hampshire State Liquor Store (at the Lee Traffic Circle) is still under consideration by the Board at this time. It has, however, involved two site reviews and two public hearings as well as a number of meetings with the parties involved. In addition to the Liquor Store, two other commercial enterprises will be housed in the complex.

Several members of the Board attended an evening series of five legal seminars sponsored by a number of different regional and state offices. The seminars were extremely helpful in updating Board members' information on legal aspects of planning.

The Board also met jointly with the Zoning Board of Adjustment and the Selectmen in an attempt to

establish mutual understanding on the intent of Lee's Zoning Ordinance and other regulations. Future meetings to keep the lines of communication open between the three Boards are planned.

The Planning Board adopted Revised By-Laws that clarify and regulate Board procedures. The By-laws define not only the duties of the officers and the procedures for meetings and public hearings, but outline the procedure for individuals wishing to make presentations before the Board.

The Strafford Regional Planning Commission has been an important source of information for the Board. Members of the Board participated in a total of nine evening and daytime meetings with representatives of the Commission. Presently, the Commission is revising the base map for the Town of Lee as well as assisting the Board in initiating the first steps that eventually, hopefully, will lead to the presentation of a Master Plan.

The Planning Board wishes to thank the Lee Civic Association and all the hardworking subcommittee members for their aid and research in 1976.

Respectfully submitted,

LEE PLANNING BOARD

REPORT OF THE
LEE BOARD OF ADJUSTMENT
FOR THE YEAR 1976

The Lee Board of Adjustment held 8 hearings on various applications during 1976.

The present board consists of Ralph D. Booth, Jr., *Chairman*; Wallace E. Dennis, *Clerk*; Sally Barney, W. Scott Gibb, and Everett Sackett, *regular members*; George Goodridge and Lewis Jennison are alternates.

During the year the following actions were taken:

1. Nellie Prichett was granted a variance relative to lot line.
2. Herman Peterson was granted a variance to live in a mobile home while he constructed his house.
3. W. W. Cheney, Inc., was denied a variance concerning the Lamprey Woods development.
4. The Durham Land Corp. was denied a special exception.
5. The Mathes Lumber Co. was denied a special exception.
6. Lewellyn Shaw was granted a variance relative to lot line.
7. Harold Emerson, Sr., was granted a variance for temporary use of a mobile home with a time limit.
8. Terry Conrad was granted a special exception for a home pottery operation.

Respectfully submitted,

REPORT OF THE SOLID WASTE DISPOSAL COMMITTEE

As a result of a favorable vote at the 1976 Town Meeting, a trial project was initiated in July, 1976, involving voluntary separation and recycling of glass, cans, and newspaper in cooperation with the University of New Hampshire Resource Recovery Center in Durham. Participation to date has been just over 26% of the total dump-using traffic.

The Town accepted an offer by Recycling and Conservation, Inc. of Kittery, Maine to enter a cooperative organic waste composting study. This project was initiated in July, 1976, and features voluntary contributions of organic wastes by residents and experimental approaches to treatment of these wastes in order to facilitate the composting process.

A questionnaire survey of town residents was completed during the summer of 1976 regarding acceptance of waste separation, recycling, composting and other items related to solid waste disposal. There were 285 questionnaires returned, which is about 55% of the estimated number of households in the town. Of the respondents, about 80% indicated a willingness to separate solid wastes for recycling.

Surveillance of dump use was initiated in July 1976, to determine (1) total traffic and traffic patterns, (2) types of vehicles and containers used, and (3) proportion of users practicing separation and recycling. The results of the first sixteen weeks have been summarized, and the monitoring effort is being continued to determine winter use patterns.

As a result of study of several alternatives, a proposal for solid waste disposal was submitted for

approval at a Special Town Meeting on November 17, 1976. The proposal entailed mandatory separation and resource recovery, a handling facility, and incineration of unseparated remaining wastes. The proposal was approved, along with release and authorization for the Selectmen to expend capital reserve funds for the purpose of complying with existing state statutes regarding the cessation of open dump burning by June 30, 1977.

Since the Special Town Meeting, developments have been closely followed regarding the possibility of a regional approach to solid waste disposal and resource recovery, featuring energy recovery at the University of New Hampshire. The Solid Waste Disposal Committee intends to continue to monitor and participate in these deliberations.

Bids have been solicited for an incinerator according to specifications developed by the Solid Waste Disposal Committee and the committee has recommended advertisement for a building. Bids for both are expected to be completed before Town Meeting time, 1977.

Respectfully submitted,

REPORT OF LEE

CONSERVATION COMMISSION 1976

Due to resignations and expiration of terms, the Conservation Commission was faced with a number of vacancies at the beginning of 1976. The first priority, therefore, was one of membership. Appointed during the subsequent months were David Allan, Robert LeBlanc and Jeannette Roberts; Robert Keniston was reappointed.

At the town meeting in March, the Commission presented three items. All were passed favorably. Steppingstone Road was named a Scenic Road, the town voted to accept the 15 acre parcel in the center of the James Farm, and also approved the Commission request for a budget of \$1,500 for 1976.

During the spring, watershed zoning became a topic of major discussion during Commission meetings. Standards based on the zoning laws of Epping and Durham were drawn up and passed on to the Wetlands Subcommittee of the Ad Hoc Committee of the Planning Board. David Allan is serving as representative on that subcommittee.

Billy Ouellette presented a request to the Commission for permission to work on the town trail to the right of the dump road as an Eagle Scout project. The members walked the trail with Billy and supported his request enthusiastically. Work will proceed during the winter and spring months.

The members also inspected the Little River property, the James Farm property, and the Inland Acres ditch on Tuttle Road. A formal protest of the ditch was sent to the Water Resources Board.

Upon request of the Conservation Commission, Jeannette Roberts was appointed an alternate member

of the Planning Board to represent the Commission and act as liaison between the two groups. Jeannette is also serving as Secretary and David Allan is in charge of all Dredge & Fill applications for the Commission.

In late October and early November, the Dredge & Fill application made by Walter Cheney for his property on Route 125 received a considerable review. Preliminary survey of the site was made by David Allan and Harvey Johnson. Dr. Johnson contacted the Dredge & Fill Board, the Water Resources Board, the Fish & Game Commission. The remaining members of the Commission also inspected the site; then met with Mr. Cheney to discuss the matter. There was concern for the trout stream on the property. Mr. Cheney agreed to allow the stream to remain in its natural state.

Robert LeBlanc has been elected as the new chairman of the Conservation Commission.

Respectfully submitted,

REPORT OF LEE RECREATION COMMISSION

The recreation commission feels very successful this year due to the general good feelings and attitude of those people involved and interested in our small town.

A workable agreement for the use of the town baseball diamond for O.R.Y.A. league games (Durham, Lee, Madbury) left plenty of free time for unorganized games and leisure.

Thank you;

Lloyd Stevens for your time and labor helping to tear down the old dugouts, bulldozing and leveling that area of field.

Bob Simpson, who spent two weeks of his summer vacation giving free tennis lessons to Lee youth and is interested in a program for adults this year.

George Hurley, whose company, Kingston Warren, is donating material for the new bleachers and possibly posts for the fence requested by coaches and team.

The Lee sno-travelers who are *building* the bleachers this winter.

Ivan Fogarty, of Fogarty's Lumber, who donated all new boards on the skating rink.

And a big thank you to Maurice Hatch and helpers
for building the rink this season and keeping it flooded.

STRAFFORD
REGIONAL PLANNING COMMISSION
1976 ANNUAL REPORT

The Strafford Regional Planning Commission is an organization of nine communities in the Strafford Region which includes all the county plus Newmarket and Nottingham. This area covers about 450 square miles and over 80,000 people. These nine towns have joined together to 1) mutually solve regional problems such as growth and development and solid waste management, 2) receive direct local assistance for municipal needs, and 3) receive federal and state grants to carry out these services. The commission is now in its 8th year. Since 1968 the commission has grown from three to nine members and the staff has grown from two to four full-time people. There are also part-time members paid through such programs as Student Work-Study, WIN and CETA.

The commission's programs fall into four major categories: (1) review of applications and permits, (2) regional programs, (3) local assistance projects, and (4) information and education.

Review of Applications and Permits

One of the requirements of receiving federal grants is that the commission evaluates proposals for projects within the Strafford Region which involve federal funds. Proposals for waste treatment systems mandated by EPA are an example. Review of the Local Public Works applications is another.

Regional Programs

The commission works with its member towns to solve common problems through mutual cooperation.

The various regional programs undertaken by the commission provide valuable information and guidelines for making decisions on both the local and regional level.

Projects for this year include:

- The completion of a land capability analysis for the central portion of the region as a companion to the study completed last year for the southern portion of the region.
- Refinement of studies related to the coastal zone as well as an investigation of the potential for onshore facilities related to offshore oil and gas development. The towns in our region involved in this work include Rollinsford, Dover, Madbury, Durham, and Newmarket.
- The completion of a regional solid waste management study as a basis for solving the problem of solid waste disposal through mutual cooperation of the member towns.
- The completion of a transit development plan for the southern portion of the region, including Portsmouth and Exeter. This study provides excellent guidelines for development of a mass transit system in the area.
- Publication of a revised open space study with specific proposals for how to secure such land in a rapidly growing region such as ours.
- The initiation of an economic base study and regional economic development plan. Upon completion of such studies the member towns may be eligible for federal grants for economic development.

Local Assistance

The Strafford Regional Planning Commission provided a variety of technical and planning services to member communities during 1976. The commission

provided every planning board member with a loose-leaf planning board notebook that includes state planning enabling legislation, a master plan process outline and subdivision review guidelines.

Some of the other highlights include:

- Work with the Dover Chamber of Commerce on a fact-sheet package for the city.
- The completion of an updated base map for Durham to be used for an inventory of community resources.
- Provision of assistance to Madbury, Lee, and Nottingham in their master planning process.
- Supplied Rollinsford with an initial groundwater investigation, especially with regard to development near the town wells.

Assistance to Lee

- Provided assistance to the town in its master process, working with ad hoc growth committee and the civic association, and the planning board.
- Provided recommendations and base map of commercial zone to the Business and Commercial Subcommittee.
- Provided planning board with town base maps and land use information.

THE OYSTER RIVER HOME HEALTH ASSOCIATION

The Oyster River Home Health Association, incorporated in 1967, is the Visiting Nurse Association serving the towns of Durham, Lee, Madbury, and Newmarket. The Agency is staffed by an administrative nurse, one full time nurse, three part time nurses, a physical therapist and a part time book-keeper-secretary. Its governing Board of twenty directors is made up of five members from each of the four towns. Standing committees of the Board include qualified representatives from related professional fields.

Patients are referred to the ORHHA by physicians, hospitals, families, and other agencies. A 1976 contract with the Exeter VNA Discharge Planner facilitates referrals from the Exeter Hospital. Similar programs are being worked out with other area hospitals. The working day is 8:00 a.m. to 4:00 p.m. Requests for visits or medical questions are best phoned in before 9:30 a.m.

In addition to skilled nursing service and therapy visits to patients in their homes, the ORHHA has contracts to continue these programs: Maternal and Child Health, Aftercare, Communicable Disease Control, Family Planning and Dental Screening.

Under the Maternal and Child Health Program, the Child Health Conference, held the third Monday of each month at the Newmarket Fire Station, serves the pre-school children of the four towns who meet certain eligibility requirements. Dr. JoAnna Munger of the Exeter Clinic is the pediatrician for the Conference. She is assisted by Mrs. Judy Hallisey, Pediatric Nurse Practitioner who provides additional follow-up for those children and mothers needing this service. The Mater-

nal and Child Health contract also provides that the ORHHA nurses make a free visit to each new baby in the four town area.

The Dental Screening Program is held twice a year for all children between the ages of three and six who are enrolled in the Child Health Conference Clinic. Children who are in need of additional dental work are referred to local dentists.

The State Public Health Department Bureau of Communicable Disease Control refers T.B. patients to the ORHHA for follow-up. Most of these visits are monthly visits. Tine testing is also done in households where T.B. may be present.

The Aftercare Program involves visiting patients referred to the ORHHA after they have been discharged from the State Hospital. It also involves regular conferences with specialists in reviewing cases. Although this year funds for this program have been diverted elsewhere, the ORHHA continues to service all referred patients.

Under the Dover Pre-Natal and Family Planning Contract expectant mothers in the Durham, Lee, Madbury area are referred to the ORHHA for pre-natal assistance as well as postpartum and new born visits.

In addition to the above contractual services, the ORHHA this year held a four-in-one screening clinic for glaucoma, diabetes, oral cancer, and high blood pressure. Some 400+ residents of the four towns were tested. Results of the testing were sent to the State Public Health Department for analysis. Follow-up was done by the State and ORHHA nurses.

The ORHHA nurses also provide assistance to the Newmarket Day Care Center and the Little People's

Day Care Center in Durham as well as assistance with the Newmarket and Oyster River Pre-School Hearing and Vision Testing programs, the Oyster River School Health Fair and other community services. They also participate with the State Public Health nurse and local school nurses when assistance is needed in the public schools, i.e. for the screening and follow-up of head lice.

With the assistance of more than a hundred volunteers and at the request of the State Department of Public Health, which supplied the injector teams, the Swine Flu Innoculation Program was administered by the ORHHA at two locations — Durham and Newmarket — for residents of the four towns during the latter part of October. ORHHA nurses also assisted at the Swine Flu Clinic for first graders in the public schools in December. More than 2,000 individuals received the vaccine.

Nurses and staff of the ORHHA maintain their professional competence through In-service Education conferences and meetings designed to make the Association better able to serve the four communities.

Financial support for the Oyster River Home Health Association comes from tax deductible contributions of individuals and organizations, memorial gifts, memberships, nursing fees, and funds voted by the four towns. In addition, grants are received from the State and Federal governments for specific programs for defined periods of time. Continued support from the four towns at the 1977 Town Meeting is anticipated.

	1,631	198	180	732	2,741	100.0	114

The above totals of 2,009 skilled nursing visits and 732 physical therapy visits covered patients ranging from birth to over 90 years of age. Seventy per cent of all visits are to patients over 65. A total of 6,318 ³/₄ working hours were spent by the nurses and physical therapist on the job. Of this time 79.5% was spent visiting patients, recording charts, and conferences and phone calls with physicians regarding these patients; the remaining 20.5% was devoted to clinics, community projects, staff development and in-service education.

Complete statistics on all patients are kept by the ORHHA as a requirement of the State of New Hamp-

shire. They are submitted bi-annually to the State which then compiles an annual master report from all visiting nurse agencies throughout New Hampshire.

REGULATIONS CONCERNING

LEE TOWN DUMP

Although the following regulations have largely been in effect for a long time, due to the somewhat changed circumstances now existing it seems advisable to re-state them at this time.

1. The Dumpmaster has complete responsibility and authority to direct drivers as to where to deposit their waste. Failure to comply will constitute adequate grounds for the Selectmen to take corrective action.
2. Dump hours vary from time-to-time but currently existing hours are always posted at the dump gate. Actual dumping should not begin until the Dumpmaster is at the site.
3. Beginning 1 September, residents of Lee will be required to have on their vehicles the official dump sticker before they can use the dump facilities. These may be obtained from the Town Clerk as previously publicized. No out-of-town vehicles not authorized to do so will be allowed to dump. The Dumpmaster shall inform any unauthorized persons and, in turn, notify the Selectmen of any failure to comply.

DISPOSAL OF DEAD ANIMALS

1. All dead animals shall be buried.
2. No dead animal of any kind shall be placed in the town dump.
3. If a town resident has no place to bury a dead animal on his premises, a place for burial will be indicated by the custodian of the dump. Any animal buried in this area shall be buried at a depth sufficient to prevent its being dug up again by other animals as determined by the custodian.
4. Anyone in violation of this ordinance will be fined twenty-five dollars (\$25.00) for each animal disposed of in an improper manner.

RACETRACK REGULATIONS

Board of Selectmen, Town of Lee

County of Strafford, State of New Hampshire

In accordance with the provisions of the New Hampshire Revised Statutes Annotated, Chapter 31, Section 41-a, as amended, the Board of Selectmen of the Town of Lee, on April 5, 1976, hereby adopts the following REGULATIONS pursuant to their authority vested in them under Chapter 31, Section 42, of the New Hampshire Revised Statutes Annotated, as amended, with respect to regulation of motor vehicle racetracks within the Town of Lee.

Section 1: *Definitions.* For the purposes of these REGULATIONS, a motor vehicle shall be defined as any self-propelled vehicle, except tractors, activated by an internal combustion engine and not operated exclusively on stationary tracks.

Section 2: Motor vehicle racetracks may be open and may operate from April 1 through September 31 of each year, for automobile, go-cart, and motor cycle racing only. Vehicular racing shall be limited in total operating hours per race, including warm-up, to eight hours inclusive. At no time shall said operating and warmup time begin before 12:30 p.m. and at no time shall vehicular races be allowed to continue past 1:00 a.m.

Section 3: Not later than 15 days prior to the opening of the racetrack each year, said racetrack owners and/or operators shall submit to the Selectmen in writing, an operation schedule for the ensuing year. Said schedule shall list the form of vehicular racing to be scheduled on each date listed. The Selectmen, may, consistent with the provisions of these REGULATIONS,

make such changes in said racing schedules as they deem proper.

Section 4: A permit fee in an amount up to one hundred dollars (\$100.00) per annum shall be assessed for each racetrack operation.

Section 5: No vehicular racetrack shall be operated within the Town of Lee unless the owners and/or operators shall have, upon written application to the Board of Selectmen, obtained a permit to operate such vehicular racetrack contingent upon proof that said owners and/or operators can and will comply with the provisions of the REGULATIONS.

Section 6: No alcoholic beverages of any kind shall be sold, consumed, or allowed on racetrack property while the racetrack is open to the public for the purpose of viewing vehicular racing. The racetrack owner and/or operator, whoever is in direct charge of the race shall post signs advising the public of this Section, at visible locations within seating areas and at each entrance gate. Any infraction of this Section shall be deemed a violation. Failure of the racetrack owner and/or operator to comply with this Section shall be grounds for the revocation of the permit.

Section 7: Authorized agents of representatives of the Town may enter, with or without notice or consent, the premises of any racetrack which holds or has applied for a permit at any reasonable time and inspect and report on the conditions found and as to compliance with the provisions of these REGULATIONS. It shall be the duty of the owner and/or operator of the racetrack to cooperate with such agents or representatives and permit access to any portions of said premises at their request. Failure to comply with these provisions shall be grounds for revocation or suspension of the permit.

Section 8: The racetrack owners and/or operators shall provide, at their own expense, such Police and Fire protection as is deemed necessary by the Police Chief and the Fire Chief of the Town of Lee, New Hampshire, pursuant to written standards promulgated by the said Police Chief and Fire Chief to insure public safety. Said written standards shall be made available upon request and satisfactory compliance with all safety standards referred to hereinabove shall be made in writing to the respective Police Chief and Fire Chief prior to any and all scheduled racing events.

Section 9: Racetrack owners and/or operators shall provide, at their own expense, suitable and sufficient sanitary facilities, including toilets with adequate lavatories. All sanitary and washing facilities shall at all times be maintained in good working order and in compliance with New Hampshire Health, Water Supply and Pollution Control laws and regulations, and any and all applicable State laws, local ordinances, regulations and/or By-Laws.

Section 10: Racetrack owners and/or operators shall provide, during all times they are open to the public and/or operating, at their own expense, an adequate ambulance service sufficient to provide for whatever emergency their activities might cause.

Section 11: All litter shall be cleaned up within 36 hours from the end of each racing event.

Section 12: Owners and/or operators of racetracks shall be responsible for any and all violations of these REGULATIONS and their permit to operate such vehicular racetrack shall be contingent upon full compliance with these REGULATIONS with total cooperation and good faith. The violation of any Section of these REGULATIONS shall be grounds for revocation of said permit by the Board of Selectmen.

Section 13: A fine of twenty-five dollars (\$25.00) per day shall be imposed for each and every violation of these REGULATIONS. Upon the Selectmen of the Town of Lee shall rest the responsibility of enforcement of the REGULATIONS.

Section 14: Prior to the opening of any racing season the owners and/or operators shall post a cash bond with sufficient sureties in the amount of ten thousand dollars (\$10,000.00) with the Town of Lee to indemnify said Town of Lee for any damage to public property or equipment which may arise as a result of any racing event. Said bond shall also be applied in the event expenses are incurred by the Town of Lee as a result of any authorized event under these REGULATIONS.

Section 15: No permit shall be issued, and any permit issued shall be revoked or suspended at the determination of the Selectmen, unless the permittee shall take out and maintain in effect at the expense of permittee, a policy or policies of liability insurance in a company or companies approved by the Selectmen with limits not less than \$100,000/\$200,000 protecting and insuring the permittee and Town and all agents, servants, and representatives of each as named insureds from liability for personal injuries and property damage resulting from the ownership, use or operation of the racetrack and/or track premises. The permittee, by application for and/or acceptance of any permit shall be conclusively deemed to have agreed to indemnify the Town and its agents, servants, and representatives from all liability including personal injuries and property damage coming out of the existence, use, ownership, or operation of the racetrack and/or track premises, and such indemnity agreement shall be expressly covered in said policy or policies.

Section 16: No events other than vehicular racing shall be scheduled or sponsored at any vehicular

racetrace within the Town of Lee without written approval of the Board of Selectmen of the Town of Lee, New Hampshire.

Section 17: No motor cycle event of any nature or kind will be permitted on any vehicular racetrack within the Town of Lee when said date conflicts or falls upon the same weekend as a National or Regional motorcycle race of any nature or kind.

Section 18: The invalidity of any Section of these REGULATIONS does not affect the validity of any other Section of these REGULATIONS.

Section 19: "The Selectmen may waive or alter the provisions of these REGULATIONS for due cause shown."

Given under our hands and seal, this nineteenth day of April, in the year of our Lord, nineteen hundred and seventy-six.
